Soldiers must now choose the method of payment (lump sum or installments) and submit this along with their application. This change requires the soldier to complete an Interim Form II in addition to the DD Form 2839.

Members who entered the service after July 31, 1986, have a choice of retirement plans at their 15th year of service. There are two options:

- 1) Take the pre – 1986 retirement system (High –3)
- 2) Elect to receive a one-time lump-sum Career Status Bonus (CSB) and have their retired pay computed under the post 1986 retirement system commonly know as REDUX.

Deploying Soon?

Your tour in Europe could very possibly include a rotation to one of several deployment locations to include Bosnia, Hungary, Croatia, Macedonia, or Kosovo. In the event you are required to deploy to one of these locations referred to as “down range” it is very important that you understand your pay entitlements.

PCSing back to the States?

You have successfully completed your European tour and now it is time to PCS back to the United States. Some of the entitlements that you have become accustomed to receiving will no longer be paid upon your return to CONUS. Here are some things you should know.

• **Basic Allowance for Housing (BAH):** *Once you terminate your lease or government quarters, you will be entitled to BAH II (table rate) until you arrive at your new duty station--will be updated there.*

• **COLA:** *Your overseas COLA terminates immediately upon your return to CONUS.*

• **Temporary Lodging Expense (TLE):** *Upon arrival in CONUS, you may be entitled to TLE for some expenses incurred during your PCS. Claim this on your travel voucher while in-processing.*

• **Tri-care Dental Insurance:** *This is a good time to start your Dental Insurance back up as you may need it stateside.*

• **Temporary Lodging Allowance (TLA):** *Payable while residing in temporary quarters prior to your Departure. Paid with your normal pay in your LES.*

• **MIHA Paint:** *If you entered into an OHA contract requiring you to paint your economy quarters, you may be entitled to re-imburement. Your local housing office can assist.*
